

## New Way to Make Apple Dumplings

Served With Hard Sauce or Cream and Sugar

By Mrs. Janet McKenzie Hill, Editor of the Boston Cooking School Magazine

Here is a new way to make apple dumplings that will surely please every housewife, for it is not necessary to have whole apples, and the juice cannot run out and burn as with apple dumplings where the apple is placed in the center and the dough turned up around it. The biscuit part forms a crispy shell that holds the apples and juice.

K C Apple Dumplings

One and one-half cups sifted flour; 1/4 teaspoonful salt; 3 level teaspoonfuls K C Baking Powder; 1/4 cup shortening; about 1/2 cup milk; apples.

Fill the cups of a buttered muffin pan with pared and sliced apples, sprinkle with salt and turn two or three tablespoonfuls of water into each cup. Sift together, three times, the flour, salt and baking powder; work in the shortening, and mix to a soft dough with the milk. Drop the dough from a spoon with the apples in the cups, giving it a smooth exterior. Let bake about twenty-five minutes. Invert the pan on a large serving dish. Put a spoonful of hard sauce above the apple in each dumpling and finish with a grating of nutmeg.

This is only one of the many new, delicious and appetizing recipes contained in the K C Cook's Book, which may be obtained free by sending the colored certificate packed in every 25-cent can of K C Baking Powder to the Leavenworth Co., Chicago. Be sure to get the 25-cent size—smaller cans do not contain Cook's Book certificates.

## Mischiefous Lads and Lassies

Bad weather failed to entirely stop the little acts of annoyance that Hallowe'en celebrators usually perform. It is usually a night for lads and lassies, but this night the lads were the predominant features. The boys managed to carry off everything portable. Supplies left outside by the merchants were found blocked away, the cannon which was in the park now is out in the road and some of the battered old benches are still more battered but somebody failed to do their duty and burn them. Porch swings were found in the school yard and in the bandstand at Price's park and quite a few people were annoyed as usual. However there was not much real damage done and a little or none of the malicious spirit shown.

The best architects, painters and contractors of the country use Mound City "Horse Shoe" brand house paint exclusively.

## Work For The Editor

It is said that anyone can be an editor. All an editor has to do is to sit at his desk six days in the week, four weeks of the month and 12 months of the year and "edit" such stuff as this:

"Mrs Jones of Lost Creek let a can opener slip last week and cut herself in the pantry."

"A mischievous lad of Matherton threw a stone and struck a companion in the alley last Tuesday."

"John Doe climbed on the roof of his house last week looking for a leak and fell, striking himself on the back porch."

"While Harold Green was accompanying Miss Violet Wise home from a church social Saturday night a savage dog attacked them and bit Mr. Green on the public square."

"Isaac Trimmer was playing with a cat Friday when the cat scratched him on the veranda."

"Mr. White while harnessing a broncho last Saturday was kicked just south of the corncrib."

## Smoking and Drinking More

The American people are drinking more whisky and beer and smoking more cigars and cigarettes than ever before in history according to tax returns received by Royal E. Cabell, commissioner of internal revenue. From July 1 to Oct. 1, 1912, more than 3,800,000,000 cigars were smoked, an increase of one billion over the corresponding period of the previous year, which broke all former records.

Is your husband cross? An irritable, fault finding disposition is often due to a disordered stomach. A man with good digestion is nearly always good natured. A great many have been permanently cured of stomach trouble by taking Chamberlain's Tablets. For sale by all dealers.

## To Stop Losses

The state veterinarian of Missouri is preparing a pamphlet to show in addition to improper burial, the custom some farmers have of throwing carcasses of hogs dead of cholera into water courses, has much to do with the spread of the disease and contributes much to the total loss. The veterinarian will show that this single bit of carelessness is the cause for loss of many thousands of dollars.

The boy's appetite is often the source of amazement. If you would have such an appetite take Chamberlain's Tablets. They not only create a healthy appetite, but strengthen the stomach and enable it to work unaturally. For sale by all dealers.

## Hallowe'en Social

The ladies of the Baptist church gave a Hallowe'en social at the Lodge Hall, Thursday evening of last week. The event drew a good attendance and a jolly time was had in spite of the extreme inclemence of the weather. The receipts at the door and from the sales of candy amounted to about \$10.00. The refreshments consisted of coffee and several varieties of sandwiches. Games were played and up to the time of refreshments were served, the guests were en masque. Valeska told the fortunes, mostly good, of those who applied. Taken all in all the event was a success.

## Band Reorganizes

The members of the band met Thursday night and agreed to have the first rehearsal, Friday November 8. The band will be led by John Larison, managed by Frank Hill and the membership will consist of about a dozen persons. Several new members will be taken into the ranks.

## How to be Certain of Curing Constipation

Prejudice is a hard thing to overcome, but where health is at stake and the opinion of thousands of reliable people differs from yours, prejudice then becomes your menace and you ought to lay it aside. This is said in the interest of people suffering from chronic constipation, and it is worthy of their attention. In the opinion of legions of reliable American people the most stubborn constipation imaginable can be cured by a brief use of Dr. Caldwell's Syrup Pepsin. You may not have heard of it before, but do not doubt its merits on that account, or because it has not been extensively advertised. It has sold very successfully on word of mouth recommendation. Parents are giving it to their children today who were given it by their parents, and it has been truthfully said that more druggists use it internally in their families than any other laxative.

Letters recently received from Mr. Geo. G. Sullivan, Jefferson, Mo., and Mrs. K. Ottens, 2115 Oak St., Kansas City, Mo., say that a few of thousands showing the esteem in which Dr. Caldwell's Syrup Pepsin is held. It is mild, gentle, non-gripping—not violent, like salts or cathartics. It cures gradually and pleasantly so that in time nature again does its own work without outside aid. Constipated people owe it to themselves to use this grand bowel specific.

Anyone wishing to make a trial of this remedy before buying it in the regular way at a druggist at fifty cents or one dollar a large bottle (family size) can have a sample bottle sent to the home free of charge by simply addressing Dr. W. B. Caldwell, 1644 Washington St., Monticello, Ill. Your name and address on a postal card will do.
